# MEDI+VEND™

## TOUCH SCREEN VENDING KIOSK

Medi+Vend™ is an interactive tele health service designed by clinicians for commissioners, providers and clients to provide easy access to sexual health information. It is a touch screen vending machine which can dispense a range of products from Condoms, Chlamydia and Pregnancy Test Kits. The Medi+Vend™ can also be used to give out a wealth of health promotion messages and signpost to a range of local services.
