STRATA KIOSK

ROBUST FREESTANDING KIOSK WITH 19" TOUCH SCREEN

The Strata touch screen kiosk has been developed for areas with high footfall and daily use from public access. With this in mind the Strata kiosk was designed to ensure that impact is as important as robustness. The Strata range has been adopted by many organisations who need to deliver touchscreen solutions in a busy environment. This stylish glass surround ensures that the kiosk creates maximum impact whilst also being perfectly suited for public use. This kiosk includes features such as steel constructed body, shatterproof front glass and an integrated 19" screen. Various options are available on this product ranging from printers to customised engraved branding.
