

# OUTDOOR SMART TICKETING KIOSK

Outdoor kiosk for smart card dispensing and ticket purchase

The Cammax Outdoor ticketing kiosk is a freestanding kiosk which can be customised to provide a range of ticketing solutions. These kiosks have been specially designed for use in unattended public locations. Features include options for ITSO/SMART card loading, product purchase and card vending. These outdoor kiosks have options to include a secondary screen for RTI or advertising and can include a full cash and change option.
